

BEARS RAFFLE

In a joint venture between Trooper Lu's Garage, MV Agusta Imports and the BEARS Australia Motorcycle Racing Club we are pleased to announce details of an exciting new raffle. Motorcycle enthusiasts have the opportunity to own a brand new MV Agusta Brutale 1090R (RRP \$19 990 ride away) for as little as \$50.

Tickets are strictly limited to 1000 and can be purchased on line using PayPal, so you know it's safe. But it doesn't end there – 2nd prize in the raffle is a set of Ricondi R-Tech race leathers complete with Compression Suit and R-Tech gloves (RRP \$1364). 3rd prize is a Shark Racer R helmet (RRP \$650) plus there's 10 other prizes of clothing all featuring the cool looking Trooper Lu's Garage logo.

Proceeds from the raffle will be used to assist motorcycle racing in Australia, specifically BEARS racing. In case you've had your head under a rock for the last 20 years, BEARS stands for British, European, American Racers and Supporters. The BEARS Australia MCRC is celebrating their 21st anniversary this year, and this is their way of giving you the opportunity of owning one of the most

desirable bikes available. Tickets will be available from the websites listed below, or they can be purchased in person from Trooper Lu's Garage (Unit 3/80 Heathcote Rd, Moorebank). They will also be available from members of the BEARS Australia MCRC at various meetings whenever they are racing. As mentioned, \$50 gets you the chance to win this magnificent MV Agusta or one of the 12 other fantastic prizes. If you want to improve your chances even further, you can buy 5 tickets for \$200.

Justin Chisholm from Trooper Lu's Garage had this to say about the joint venture.

"Trooper Lu's Garage is proud to support BEARS racing. It is an awesome way for anyone to get into racing at a social, fun level. From motards, naked, and older bikes right up to the latest machinery there is a class in BEARS. MV Agusta Imports has been a strong supporter of BEARS particularly in regards to offering the club this magnificent motorcycle as a prize."

"MV Agusta had a great time last year with more and more exciting models being released at really competitive prices. Often, less than their Japanese rivals."

"We are hoping this raffle will have a few positive affects. Firstly to help raise revenue for BEARS as running a club is not cheap, secondly to showcase one of MV's flagship models and most of all put some lucky person on a brand new MV."

The raffle will be drawn at the Australian Moto GP in October and the winners will be announced via the motorcycle media.
